St. Nicholas Home Charitable Society for the Elderly, Beit Jala is a charitable, non-profit organization founded in 1976. It is among three retirement homes in Bethlehem Governorate among a population of 120,000 people. The residence home provides live-in residential care for poor, aging elderly people without next-of-kin to take care of them. Saint Nicholas Home employs qualified trained staff, offers a Christian-based family atmosphere and comfortable, modern living spaces which sets it apart from the other two elderly-care institutions located in Bethlehem. It is also the only retirement home that houses both elderly men and women in one facility (capacity of 9 bedrooms or a total of 18 beds). With emigration of young Christian families and individuals on the rise, increases the need for residential homes like St. Nicolas Home in Beit Jala is in demand.
